Heather Scott Home & Design

Heather Scott Home & Design offers an ever-changing selection of stylish transitional pieces. Check out the new line of air-purifying Lampe Berger products, and new furniture, rugs and pillows from Company C. There's also plenty of eye-catching tables, nifty chandeliers, colorful orchids and modern sofas. And with in-store design assistance and at-home consultations, the team here can help you create custom upholstered furniture and window treatments specifically for your living space. The warm and inviting boutique space is housed in the Arboretum, 30000 Research Blvd., Ste. 103, 342-6099; heatherscotthome.com
