ITINERARY

HEATHER SCOTT HOME & DESIGN

Austin duo Raquel Skrobarczyk (left) and Emily Ward (right) joined founders Heather and Scott Harkovich as owners of Heather Scott Home & Design in 2019, intent on delivering classic, chic and serene spaces through a worry-free design process. With more than a decade of design experience and awards to her name, Skrobarczyk leads the team as principal designer while Ward oversees logistics as chief operations officer and ensures clients receive the utmost care. Together they understand no detail is too small, making them ideal for sharing where to spend a day in the city they call home. heatherscotthome.com

STAY

South Congress Hotel: This boutique getaway in the heart of South Congress (bottom, right) is within walking distance of so many quintessential Austin shops and eats. Each guest room is chic and modern, and the Zen rooftop pool—open year-round—is a notable feature. We recommend visiting the stylish lobby and bar even if you are not staying at the hotel. We even love their signature candle! southcongresshotel.com

EAT

Blenders & Bowls: Just minutes away from our Rosedale location, this is our favorite place to grab a quick and healthy breakfast or lunch. They have the best açai bowls in town and delicious avocado toast. What's not to love? blendersandbowls.com

Café No Sé: This hot spot (top, right) is located inside the South Congress Hotel. Its bright and modern interiors are inviting and stylish, making it a great place for brunch or a casual lunch. cafenoseaustin.com

Josephine House: A charming restaurant in the Clarksville Historic District, its interiors fill

guests with design inspiration while they enjoy great bites—like Josephine's elevated take on a classic burger. The patio is a perfect date spot or space to have brunch with friends. josephineofaustin.com

SHOP

Adelante: With interiors by Claire Zinnecker, Adelante (right) is a local boutique fit for design enthusiasts and offers stylish and breezy boho looks. We love perusing the selection of clothing, jewelry and home goods. adelanteaustin.com

House of Margot Blair: With a bungalow and workshop located behind Page Home Design, Margot Blair is a local florist with such a tasteful, unique style. She also hosts fun DIY events on how to make centerpieces. We love ordering her Margot Minis and having them delivered for special occasions or client thank-you gifts. houseofmargotblair.com

Wendy Wells Jewelry: Not only is Wendy a dear friend, but we designed the interiors of her shop, which offers an eclectic mix of fine jewelry and handmade pieces. It's one of our favorite places to find

Austin Central Library, Austin Public Library: The renovated Austin Central Library is not your standard library. Brought to life by Lake | Flato Architects, along with Shepley Bulfinch, its unique and innovative design makes it a family-friendly space to visit and bring guests. library.austintexas.gov/central-library
